

Parkland Infant School

Report on Sports Premium Spending and Impact 2016-2017

What is Sports Premium?

The government has allocated additional funding per annum for academic years 2016 to 2017 to improve the provision of Physical Education (P.E) and sport in primary schools. This funding (provided jointly by the Departments for Education, Health and Culture, Media and Sport) has been allocated to primary school Head Teachers. Schools with 17 or more eligible pupils receive £8,000 and an additional payment of £5 per pupil. It is ring-fenced and therefore can only be spent on provision of P.E and sport related activities or equipment in schools. Schools must spend the additional funding on improving their provision of P.E and sport, but have been given the freedom to choose how they do this. Schools must spend the sports funding on improving their provision of PE and sport for the benefit of primary-aged pupils so that they develop healthy lifestyles. Schools have the freedom to choose how they do this.

As a result of this additional funding, PE is now a key strength at Parkland Infant School. Significant improvements have been observed in the quality of the school's physical education curriculum. In addition, the employment of a specialised Sports Coach has facilitated teachers and support staff to develop their own PE knowledge which has led to greater confidence and enthusiasm in teaching and supporting PE throughout the school.

As a school we are constantly committed to refreshing and updating our PE and sporting equipment and we provide a multitude of opportunities for our children to participate in a number of different sports and activities as a direct result of this government funding.

We are delighted with our achievements in PE as a school in the past year and our pupils are excited and enthusiastic to participate in sports. This enthusiasm and excitement in turn helps to promote a healthy lifestyle amongst our pupils.

Detailed Spending in 2016-2017 is as follows:

Primary PE Sport Grant Awarded (2016– 2017)			
Total number of pupils		177	
Grant received		£8900	
Parkland Infant School PE objectives: <ul style="list-style-type: none"> • To improve PE provision for all children • To increase teacher's confidence in delivering high quality PE lessons • To skill up Learning Support Assistants and Student Teachers so that they can contribute successfully to P.E lessons and clubs • To promote a love of sport • To improve the health and fitness of learners as well as develop an understanding of the benefits that Physical Education and a healthy lifestyle can bring • To raise the profile of Physical Education across the school and within the community • To ensure all children achieve at least the expected level for Physical Development as part of the EYFS curriculum (Early Years Foundation Stage). 			
Actions	Cost	Objectives	Impact
Employment of a qualified sports coach from Premier Sports to teach PE on Tuesdays, Wednesdays and Thursdays. The coach will work alongside teachers, LSAs and students to plan, teach and assess progressive skills in a range of sports to all KS1 and EYFS classes (one session per week).	£8900	To improve the quality of P.E teaching so that it is at least good at all times. To provide CPD to enhance skills and the confidence of teachers/LSAs	<p>100% of PE lessons observed (internally and externally) graded as at least 'good' or 'outstanding'.</p> <p>Staff within the school have greater confidence and enthusiasm when teaching and supporting PE lessons.</p> <p>Termly assessments show good progress being made throughout the year and a high proportion of children at either expected or exceeding in PE competence (88%)</p>

<p>To deliver three clubs each week that will change 6 x a year and promote key skills and the Olympic Values of Friendship, Respect, Excellence, Determination, Inspiration, Courage and Equality.</p>		<p>To provide additional opportunities for children to try new sports and work as part of a team.</p>	<p>Last year there were over 18 sessions of after school clubs, 3 per week: Clubs have a maximum capacity of 20 participants. We averaged 17 bookings per club for the whole year which is an improvement on the past 2 years. This indicates greater enthusiasm from the children to take part in PE.</p>
<p>To develop The Golden Mile across the school</p>		<p>To provide opportunities for children to develop strength and stamina.</p>	<p>Fitness has improved across the school. The 'Golden Mile' baseline fitness test indicated that:</p> <p>38% children could not complete 6 laps in 3 minutes and 62% children could complete this distance or above in 3minutes.</p> <p>End of year test indicated that 25% children could not complete 7.5 laps in 3 minutes but 75% could complete this distance or above in 3 minutes.</p> <p>In 2016 the percentage of children above the expected level for Moving and Handling in EYFS was 17%. In 2017 this rose to 52%</p>

Looking ahead 2017-2018

Total number of pupils		178	
Grant received		£18800	
Actions	Cost	Objectives	Expected Impact
To continue to employ a qualified sports coach from Premier Sports to teach PE on Tuesdays, Wednesdays and Thursdays.	£18800	To continue to improve the quality of P.E teaching so that it is 'outstanding' at all times.	100% of PE lessons to be observed as 'outstanding'. Progress of competence in PE skills in comparison to previous year.
To continue to deliver three clubs each week that will change on a termly basis		To provide additional opportunities for children to try new sports, develop competence and improve team work skills	Improved participation in after-school clubs as a result of increased enthusiasm for sport.
To continue to implement the Golden Mile		To provide opportunities for children to develop their general fitness and to identify 'non-participants' in physical activity.	A continued improvement in general fitness of children should be evident. This will be measured at various points across the year.

<p>To provide extra sporting opportunities for children identified as 'non-participants' through the use of well-planned morning activities for children</p>		<p>To improve gross and fine motor skills of children across Reception to Year 2.</p> <p>To improvement well-being of children throughout the school.</p>	<p>High levels of competence in PE. Data will indicate that less children are working below age related expectations and more children are working at or above age-related expectations.</p>
<p>To arrange a visit from an 'Olympic Athlete'</p>		<p>To inspire children to take up new sport both in and out of school.</p> <p>To promote sport and a healthy lifestyle across the school.</p> <p>Additional funds may be generated through sponsorship. This can be re-invested in new equipment for the children.</p>	<p>New equipment will be purchased with increased funding that will help develop children's skills.</p>
