Any queries?

You are very much part of this learning team. Please feel free to come and chat to us after school! ☺

Our learning journey is: What's in the Pond?

Drinks and snacks

Children are provided with free fruit to eat at break time every day. If they have a favourite piece of fruit, do feel free to send it in with your child. It is also recommended that all children have a separate **water** bottle so they can have access to water during the day while in the classroom. This needs to be separate from their packed lunch boxes as they have no access to them during the day.

Golden Time

This will take place on a Friday afternoon. Children are can bring in a small toy if they wish. **NO TOYS** should be brought into school on any other days of the week.

Labelled school uniform

Please remember to check that your child's school jumper and PE kit is clearly labelled, ideally with a permanent pen so that we can easily find it's owner if it gets mixed up.

Take home tasks

Please remember it is most beneficial to read EVERY DAY with your child. **The minimum requirement is to have reading diaries signed 3 times a week.** Reading records will be checked weekly and the number of days that your child has read for will be recorded each week. Each day your child reads will count towards them receiving their 'Reading Diploma' awards! Each week you will also have a phonics activity and a maths activity to complete. Please send them back into school so we can see their hard work.

Many Thanks. ☺

Volunteering in class.

Parents are welcome to come and help. If you do wish to, please see the office as everyone needs a DBS check.

Exciting Events!

Our school trip will be taking place in Term 6! Keep an eye out for the information to follow.
